BOOK PROJECT

#ONEBOOKATATIME

**Promote a culture of reading
beyond borders.**

Across Africa, many universities face shortages of books and learning resources. This initiative bridges that gap by collecting and redistributing reading material - including textbooks and journals - to partner institutions in Zambia, Malawi, Eswatini, Zimbabwe and Mozambique.

HOW TO CONTRIBUTE?

Drop your books in the branded collection boxes located at libraries across all UKZN campuses. Books will be collected monthly.
