The Director of the University Language Planning and Development Office, Dr Langa Khumalo, has been elected to the Board of the African Association for Lexicography (AFRILEX).

Khumalo, whose election took place at the 20th International Afrilex Conference hosted by ULPDO at UKZN from 6 - 9 July, will serve on the Board for two years before the next elections.

Khumalo said he viewed his position on the Board as recognition of his contribution in the field of corpus lexicography. He was also proud to have led a team of local organisers in successfully hosting the AFRILEX conference.
