

GSB&L WEBINAR SERIES

Hosted by the Acting Dean and Head of the GSB&L,
Professor Ana Martins

Theme

**The End of Work as We Know
It ... Infinite Possibilities and a
New World of Work**

SPEAKER:

Emma El-Karout
Founder: One Circle HR

The shifting nature of work today is top of mind for global leaders and professionals as they struggle with its very meaning and how to best prepare themselves and their organizations for a future that is increasingly hard to predict.

Join Emma El-Karout and One Circle as we explore how advances in technology, coupled with significant changes in talent mix and required skill sets, are not only a holistic overhaul of the organization but an overhaul of the very definition of work itself.
